WPL industries

BPS range
Basic platform scales

Characteristics:

- Compact scale.
- Can be used for legal metrology.
- Stainless steel cell with OIML R-60 test certificate C3, IP67 protection.
- Stainless steel top cover.
- Stainless steel body.
- In height adjustable feet.
- Spirit level indicator
- With foam protections in the corners.

Optional indicators:

- R10 basic
- R10 Waterproof
- R10 touch
- R10 touch XL
- Any industrial indicator with C3 loadcell support

COMPLETELY IN STAINLESS STEEL
Completely in stainless steel to be used in wet rooms or laboratories to weigh products such as fish, cereals, meat, paints, etc.

OPEN STRUCTURE
Stainless steel body with fully cut open laser technology. Designed to allow drainage of water .

ACCURACY
With its accuracy, the BPS platform scales avoid overdosing and allows a minimum of product giveaway

CONSISTANCY
The BPS platform ensures the constant quality of your production batches through consistent weighing

QUALITY
The BPS platform is designed to meet the strictest quality requirements. The scales can be verified for legal metrology

MADE IN EUROPE
The BPS platform is designed and manufactured in The Netherlands
